The information contained in this should not be considered as personal investment advice or an offer or solicitation to buy or sell securities. Commissions, trailing commissions, management fees and expenses all may be associated with mutual fund investments. Please read the prospectus before investing. The indicated rates of return are the historical annual compounded total returns including changes in unit value and reinvestment of all distributions and do not take into account sales, redemption, distribution or optional charges or income taxes payable by any unitholder that would have reduced returns. The indices cited are widely accepted benchmarks for investment performance within their relevant regions, sectors or asset class, represent non-managed investment portfolios, and are not necessarily indicative of future investment returns. Mutual funds are not guaranteed, their values change frequently and past performance may not be repeated. Portfolio Class Fund consists of securities of a Corporate Class Fund and a trust unit of the Canoe Trust Fund. A Corporate Class Fund is an open-ended mutual fund structured as a share class of Canoe 'GO CANADA!' Fund Corp., an Alberta mutual fund corporation. The Canoe Trust Fund (CTF) is an open-ended mutual fund governed by a declaration of trust. Each investor in a series of shares of a Corporate Class Fund also receives one CTF unit. This structure was developed with the assistance of KPMG LLP. Information about a Portfolio Class Fund may be found on www.sedar.com by going to the SEDAR profile of the applicable Corporate Class Fund and the CTF. Please see the prospectus for details.
